Publication

Agriculture and Economics (ISSN: 1011-520X) is published by the National Taiwan University Press and Department of Agricultural Economics, National Taiwan University. It was first issued in 1977, and published twice (June and December) every year.

Submission Information

1. *Agriculture and Economics* publishes research on agricultural economics, agricultural policy, resources and environmental economics, agricultural finance, agricultural marketing, agricultural trade, and the quantitative methods applied in agricultural economic and policy analysis. Empirical studies on Taiwan's agriculture are particularly welcome.
2. Except in the cases of invited paper, the journal does not accept manuscripts that have been submitted to other domestic and foreign journals or published anywhere.
3. Authors should submit his manuscripts online (<http://agecjni.agec.ntu.edu.tw/journals/contents/index.jsp>). Manuscripts are reviewed anonymously before acceptance.
4. Authors are requested to change the style of accepted manuscripts in accordance with the *Preparation of Manuscripts for Academia Economic Papers*, which is available upon request.
5. There is no submission fee, and no remuneration to contributors. Authors are entitled to 30 reprints of their articles and a copy of the issue in which their articles appear.
6. In addition to the paper edition of this journal, we also publish an electronic edition through the National Taiwan University Scholarly Electronic Journal Database maintained by the University Publications Committee. Manuscript will appear in both the paper and electronic editions of the journal.
