The Journal was launched in 1958 as *Acta Psychologica Taiwanica* (ISSN 0065-1613) by National Taiwan University. It became the official journal of Chinese Psychological Association in 1973 and the title was changed to *Chinese Journal of Psychology* (ISSN 1013-9656) since 1973. It was published annually before 1977, biannually from 1978. From 2003 it became quarterly and published in March, June, September and December every year. To submit an article, authors are advised to follow the instructions given at the inner page of the back cover and those in the *Publication Manual of the American Psychological Association* (7th ed., 2020).
