## Submission

1. Authors should use online submission/review for their manuscripts to *Taiwan Economic Review* (hereafter *TER*).
2. This publication insists on ethical behavior from its editors, reviewers and authors. Please find our publication ethics statement on the journal website.
3. Manuscripts accepted for publication in *TER* should be prepared in accordance with "Writing Style for *TER*".
4. *TER* adopts a double-blind review process.
5. The copyright of accepted manuscripts will be transferred to *TER*.
6. *TER* charges no submission fee and pays no remuneration to authors. Authors of accepted articles will receive two free copies of *TER* annual bound issue in which their article appears.
7. If the author has not been notified as to the status of the manuscript after three months, inquiries can be addressed to *TER* at econman@ntu.edu.tw.
8. A maximum of two rounds of major revision per manuscript is typically provided.

## Annual Subscription Rates

NTD\$3,000 for institutions. A discount price of NTD\$1,200 for individual subscribers with mailing addresses in Taiwan. Other countries: USD\$180 for institutions; USD\$150 for individuals.

## Publication Information

*Taiwan Economic Review* is published by the Department of Economics, National Taiwan University. Research Institute for the Humanities and Social Sciences, National Science and Technology Council provides editorial support. It was first issued in 1970 under the title *Economic Essays*, and published annually prior to 1987 and bi-annually in 1987. Since then it has been changed to a quarterly (March, June, September, December) under the current title *Taiwan Economic Review* (The Chinese title remains unchanged). *Taiwan Economic Review* has been evaluated and accepted for inclusion in the electronic online and CD-ROM indexing and abstracting services of the American Economic Association (produced by *JEL*).
