# Tungs' Medical Journal (TMJ)

## General Information

### The journal

*Tungs' Medical Journal (TMJ)* is an official open access publication of the Tungs' Taichung MetroHarbor Hospital and is a peer-reviewed journal on a semi-annual basis by Wolters Kluwer Medknow.

*TMJ* publishes original medical research in an attempt to bridge the gaps created by medical specialization. Contributions are classified into two main domains: clinical and basic science. It publishes state-of-the-art article types including Research Papers, Reviews, Editorials, Communications, case report, image case (Pathology or Radiology), etc. As an international publication, *TMJ* welcomes clinicians, diagnosticians and researchers, and serves as a forum to discuss the current status of health-related matters and their impact on a global and local scale.

### Abstracting and indexing information

The journal is registered with the following abstracting partners:

Baidu Scholar, CNKI (China National Knowledge Infrastructure), EBSCO Publishing's Electronic Databases, Ex Libris – Primo Central, Google Scholar, Hinari, Infotrieve, Netherlands ISSN center, ProQuest, TdNet and Wanfang Data.

### Information for Authors

All manuscripts must be submitted online at <https://www.editorialmanager.com/etmj>.

### Subscription Information

Copies of the journal are provided free of cost to the members of The Tungs' Taichung MetroHarbor Hospital. A subscription to *Tungs' Medical Journal* comprises 2 issues. Requests for information and orders should be addressed to *TMJ* Editorial Office. Please forward any change of address to the Editorial Office: allow 8 weeks for all notification of changes to take effect. All communication during this time should include both old and new addresses (with postal codes).

### Advertising policies

The journal accepts display and classified advertising. Frequency discounts and special positions are available. Inquiries about advertising should be sent to Wolters Kluwer India Private Limited, WKHLRPMedknow\_advertise@wolterskluwer.com.

The journal reserves the right to reject any advertisement considered unsuitable according to the set policies of the journal.

The appearance of advertising or product information in the various sections in the journal does not constitute an endorsement or approval by the journal and/or its publisher of the quality or value of the said product or of claims made for it by its manufacturer.

### Copyright

The entire contents of the *Tungs' Medical Journal* are protected under Indian and international copyrights. The Journal, however, grants to all

users a free, irrevocable, worldwide, perpetual right of access to, and a license to copy, use, distribute, perform and display the work publicly and to make and distribute derivative works in any digital medium for any reasonable non-commercial purpose, subject to proper attribution of authorship and ownership of the rights. The journal also grants the right to make small numbers of printed copies for their personal non-commercial use.

### Permissions
