GENERAL INFORMATION

The *Formosan Journal of Musculoskeletal Disorders (FJMD)* is the official peer-reviewed publication of the Taiwan Orthopaedic Association. It is published quarterly by Ainosco Press and is to be indexed in Medline.

The Aims and Scope of the Journal

FJMD, aimed to disseminate new and important orthopaedic knowledge, is a high quality peer-reviewed orthopaedic journal and a publication of the Taiwan Orthopaedic Association. *FJMD* brings readers the most update clinical and basic researches that contribute to today's orthopaedic practice and improve treatment results or orthopedic diseases. With contributions from all experienced clinicians and researchers around the world, *FJMD* serves a diverse range of disciplines involving musculoskeletal researches. The subjects covered include artificial joint replacement, musculoskeletal trauma, spine, sports medicine, foot and ankle, hand, pediatric orthopedics, rehabilitation, orthopedic oncology and all other orthopedic related clinical and basic science.

Copyright Information

Submission of a manuscript implies:

- that the work described has not been previously published (except in the form of an abstract);
- that it is not under consideration for publication elsewhere;
- that it has been approved by all co-authors, if any, as well as by the responsible authorities at the institute where the work was carried out;
- that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of copyright to the affiliation;
- that the manuscript will not be published elsewhere in any language without consent from the affiliation;
- that written permission has been obtained by the authors from the copyright holders of material used from other copyrighted sources.

All articles published in the journal (*FJMD*) are protected by copyright, which covers the exclusive rights to reproduce and distribute the article, as well as translation rights. No part of this publication may be reproduced, stored in any retrieval system, or transmitted in any form or by any means, electronic, mechanical, by photocopying, recording, or otherwise, without prior written permission from the affiliation.

Advertisements

Requests for information and orders should be addressed to the Taiwan Orthopaedic Association. Advertisements are reviewed in light of appropriate ethical considerations before being accepted for publication. The publication of advertisements relies on the responsibility of the advertiser to comply with all legal requirements relating to the marketing and sale of the products or services advertised. The publication of an advertisement neither constitutes nor implies a guarantee or endorsement, by the affiliation and Ainosco Press of the product or service advertised, or the claims made for it by the advertiser. The journal (*FJMD*) reserves the right to discontinue any advertisement if so wishes.

Disclaimer

While the advice and information in this journal are believed to be true and accurate at the date of it going to press, the authors, the affiliation and Ainosco Press cannot accept any legal responsibility for any errors or omissions that may be made. They make no warranty, express or implied, with respect to material contained herein. To the extent permissible under applicable laws, no responsibility is assumed by the affiliation or Ainosco Press for any injury and/or damage to persons or property as a result of any actual or alleged libelous statements, infringement of intellectual property or privacy rights, or products liability, whether resulting from negligence or otherwise, or from any use or operation of any ideas, instructions, procedures, products or methods contained in the material herein. The opinions expressed in this journal belong to the authors and do not necessarily reflect the opinions of the affiliation and Ainosco Press.
