

Hwa Kang Journal of TEFL

Hwa Kang Journal of TEFL is aimed at promoting the teaching of English as a foreign language, with a focus on listening and speaking, considered together as a conversational or communicative ability or skill, or considered separately as two distinct language abilities or skills. Papers can explore one segment or aspect, or more, or give overall consideration to the subject of TEFL. Unpublished articles germane to or dealing with the aforementioned goals are most welcome from contributors around the globe. All the copyrights of the articles published by this Journal in both paper and electronic formats belong to the Language Center of Chinese Culture University.
