

## Journal of Aeronautics, Astronautics and Aviation

*(Formerly Transactions of the Aeronautical and Astronautical Society of the Republic of China)*

*Journal of Aeronautics, Astronautics and Aviation* disseminates original archival research, review and tutorial papers contributing for the advancement in all aspects of aeronautics, astronautics and aviation. Papers in these disciplines are solicited.

The journal, formerly known as *Transactions of the Aeronautical and Astronautical Society of the Republic of China (AASROC)* since 1968, is adapted to the current title starting from January, 2006 (Volume 38 of the original journal). For ease of dissemination, the journal contains series A in English and series B in Chinese with English abstracts. Series A of the journal is published quarterly (March, June, September, and December) and series B semiannually (Closed in 2013) by the Aeronautical and Astronautical Society of the Republic of China.
