Open Access

This Journal is a peer reviewed, subsidized open access journal where Taiwan Society of Geriatric Emergency and Critical Care Medicine pays for the publishing costs incurred by the Journal.

Publication Charge to Authors

Authors will be charged a publication handling fee.

Authors will be charged for the excess of pages and the color pages in the print journal if applicable.

Please refer to the "Publication Charges and Reprints" section in the Guide for Authors.

User Rights

All articles published open access will be immediately and permanently free for everyone to read, download, copy and distribute.

Permitted reuse is defined by the following user license:

Creative Commons Attribution-NonCommercial-NoDerivs (CC BY-NC-ND)—for non-commercial purposes, lets others distribute and copy the article, and to include in a collective work (such as an anthology), as long as they credit the author(s) and provided they do not alter or modify the article.

Copyright

Submission of a manuscript implies:

- that the work described has not been previously published (except in the form of an abstract);
- that it is not under consideration for publication elsewhere;
- that it has been approved by all co-authors, if any, as well as by the responsible authorities at the institution where the work was carried out;
- that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of copyright to the Taiwan Society of Geriatric Emergency & Critical Care Medicine
- that the manuscript will not be published elsewhere in any language without consent from the Taiwan Society of Geriatric Emergency & Critical Care Medicine
- that written permission has been obtained by the authors from the copyright holders of material used from other copyrighted sources.

All articles published in the journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article, as well as translation rights. No part of this publication may be reproduced, stored in any retrieval system, or transmitted in any form or by any means, electronic, mechanical, by photocopying, recording, or otherwise, without prior written permission from the Taiwan Society of Geriatric Emergency & Critical Care Medicine
