《Regional and Cultural Studies》 contributions wanted

"Regional and Cultural Studies" is a quarterly magazine, published in May, September and December every year. In the early stage, it is the literary introduction and translation of the 56 Chinese nation. In the later stage, he will focus on articles related to foreign cross-cultural communication, Belt and Road, Chinese culture, regional culture and international communication. Welcome experts and scholars in related fields, and contribute their articles with doctoral students and researchers. Thank you.
